

Great Results Guarantee

**Under the agreement for 2015
Hillview State School will receive**

\$5,760*

*Estimated on 2014 data. Actual funding will be determined after 2015 enrolment data is finalised.

This funding will be used to

- Improve student learning outcomes, so that all students meet the National Minimum standards in numeracy
- Increase the number of students in the NAPLAN upper two bands in numeracy
- Continue implementation of pro-active strategies to improve student engagement and attendance
- Provide access to a wide range of quality, relevant resource materials in numeracy
- Improve teacher and teacher aide capacity through focused professional development in numeracy

Our strategy will be to

- Monitor student performance through the use of QSA numeracy indicators
- Implement a daily number facts and number study program
- Provide opportunities for student to explore numeracy concepts, with support and independently, using appropriate hands on materials and ICT tools
- Provide access to professional development opportunities for staff in numeracy
- Increase parental engagement by conducting workshops in numeracy

Our school will improve student outcomes by

- Purchasing quality numeracy resources that provide opportunities for hands on activities and investigative learning
- Purchasing online numeracy programs such as Mathletics and Apple Apps
- Creating a staff professional development program to build pedagogical knowledge in numeracy
